LB 995, 996

amendment go to....do you have another one, Mr. Clerk?

CLERK: No, Mr. President, I have nothing further on the bill.

SPEAKER MARVEL: Okay, Senator Warner, do you want to move the advancement of 995 to E & R for Engrossment?

SENATOR WARNER: I so move, Mr. President.

SPEAKER MARVEL: All those in favor of that motion vote aye, opposed vote no. Okay, say aye. Opposed no. The motion carried. The bill is advanced. The next bill is 996.

CLERK: Mr. President, there are no E & R amendments to 996. However, I do have Appropriation Committee amendments to the bill.

SPEAKER MARVEL: Senator Warner.

SENATOR WARNER: Mr. President, this is the Cash Agency bills. The two amendments that the committee is offering are both related to whether or not other legislation is enacted. The first amendment deals with the State Board of Nursing, puts in the necessary language in the Appropriation bill if LB 847 is enacted and the A bill accompanying it, and the other, it makes no changes. The other amendment is the same except it affects the State Board of Examiners of Psychologists. It puts in the necessary language if 958A and 958 passes, but it makes no change as far as dollar amounts other than to correlate the amounts to be the same in the A bill as in the Appropriation bill. I move their adoption.

SPEAKER MARVEL: Senator Haberman, your light is on. We are speaking to the Warner....we are speaking to the committee amendments to 996. Is that what you want to speak to?

SENATOR HABERMAN: Yes, Mr. President.

SPEAKER MARVEL: Okay.

SENATOR HABERMAN: I feel it is awful hard to vote on these when we have such a simple explanation. I think they should be printed in the Journal. I think they should be handed out. Appropriations is very, very important. It is true we only have twelve days left, but
